

Elder Senior Court Approval

Honorable Presiding Judge
Executive Officer/Clerk

Dear Presiding Judge and Executive Officer of the Court,

We support and request the urgent opening of an Elder Senior Court Room in your court house.

Due to the recent surge in financial assaults on our Elders and Seniors the urgent need to protect our vulnerable citizens is imperative. This devastating epidemic must be met with a collaborative effort by all agencies, law enforcement and judiciary.

With over 50,000,000 Elders/Seniors in the United States and with at least 1 in 5 victimized, a staggering 10,000,000+ annual victims. We have no choice but to step up public awareness, support and demand that we all do a much better job in educating, preventing and enforcing all Elder and Senior laws and statutes.

Help us make it a reality! A dedicated Elder Senior Court ESC Room in your Court House by 12-8-19 or sooner.

Thank you,
Guy Hart, Chief Advocate
